Check the box next to each grape variety you have tasted. For varieties not listed here, please use the blank spaces at the bottom of the application. The notes column is for wine name, appellation, vintage, etc. and is optional. Grape varieties that you've tried only in blends with other varieties are permitted. If you have at least 100 varieties checked, email, fax or mail the application to the address at the left and allow 4-6 weeks to receive your certificate and further information regarding your membership.
